Hello Kristine,

I wanted to follow up on the TCT call we had last week with a couple of quick clarification questions.

I think it was Erin that asked about commenting on the RAOs. I wanted to confirm that they have changed since the last version we received and that your preference is that we wait to see and comment on the latest version of them in Section 2?

Also, I wanted to touch base about when Section 2 is going out to LWG and partners. My schedule says February 6<sup>th</sup>, so I just wanted to be sure that I did not miss an email.

Thanks,  
Rita
